

# Maine Masters Swim Club Top Ten Times

Swimmers included in this booklet were registered members of the Maine Masters Swim Club (MESC) at the time of their competition(s). Since verification is difficult, times achieved in non-masters meets such as United States Swimming sanctioned meets will no longer be counted toward the Maine Masters Top Ten Times.

The Recorder is responsible for updating the Top Ten list with times swum in meets in Maine and New Hampshire, as well as New England Championship meets and USMS National Championship meets. Times achieved at any other Masters meets will be included in the Top Ten list provided that a copy of or web link to the official results is sent to the MESC Recorder at the following address:

Dieter Weber  
30 Park Street  
Camden, ME 04843

Lead-off relay splits achieved in Masters meets are accepted. However, these times must be brought to the Recorder's attention. As individual times are not always included in the results provided to the Recorder, you may need to submit an addition using the form on the following page.

Any additions or corrections submitted to the Recorder will appear in the next edition. The form on the following page may be used to submit additions or corrections.

The cut-off date for Short Course Meters and Long Course Meters events for the next edition of the Top Ten Times will be December 31, 2007.
