

Third Annual ROCKLAND BREAKWATER SWIM

3.2 mile nonwetsuit:

1. Elaine Kornbau Howley, cap #9, age 30, Waltham, MA, 1:32.07

Elaine is the first person to have ever successfully completed the 3.2 mile race without a wetsuit. Not only did she do it this year, but she did it in last year's race, too.

15. Kristi Panayotoff, cap #16, age 59, Lincolnville, ME, 1:01.41

Fritz Homans, who was unofficially the first swimmer to finish, was disqualified because he missed the last marker at the end of the Breakwater on both laps, which shortened his swim. After he looked at the diagram that Doug had for the briefing, he realized his mistake. Hopefully he will come back and swim it again next year.
